I am looking for potential employment with your company. I am able to adapt and quickly assert myself in learning the responsibilities of any job. I would appreciate your consideration.

I have knowledge of all Microsoft Office Applications, MapInfo GIS, and extremely familiar with most PC software. I pride myself on being well organized, reliable and have an excellent ability to multi task. I have developed into a team player and self-starter through my work experiences.

I would like the chance to interview with you at the earliest and most convenient date possible. You may reach me at (817) 454-6513 or email shanemgove@gmail.com. Thank you for your consideration in advance.

Sincerely,
Shane Gove
